Letter from our Director

Dear Donors,

2022 has been a wonderful year and getting back to normal itself is a blessing. Thanks to the generous support of Ekam donors like you we have been able to provide support to those in need.

Ekam is working on COVID Rehabilitation livelihood projects to support underprivileged community members, especially women, to be financially independent. These beneficiaries will be integrated into Ekam as volunteers in the community.

Join us to support the mission of Ekam - NO CHILD SHOULD BE DENIED MEDICAL CARE.

For 2023, we have a diverse agenda to support:

1. Save A Child direct medical support to provide treatment to children in financial need
2. Reinforcing Rural primary health centers to help pregnant women's care
3. Anganwadi preschool center/ school needs to support children's health and development
4. Engaging youth in service projects, locally in USA and in India to support women and adolescent girls

Sponsored Education Needs = \$7,382

In collaboration with "Uplift a Child" our youth volunteers collectively sponsored the education needs of 35 children from 6 states in India for a year through activities like tutoring, art for a cause, creative writing, sapling sale, food stand/sale, etc.

Random Acts of Flowers and Crops

Volunteers from elementary students to adults lent a hand at Mass Audubon Wildlife Sanctuary, Lincoln, MA picking fresh flowers and harvesting the crop. In the summer, they picked 1500+ colorful varieties of flowers and made countless bouquets filled with love, which were sold at the local farmers market with the produce picked throughout the season to raise money for self-sustaining the Wildlife Bird Sanctuary and benefit low-income families.

Volunteering at BINA Farm in Lexington

BINA Farm provides a comprehensive therapeutic and recreational environment utilizing Equine-Assisted Services and Therapies, Vocational Training Programs and Creative and Complementary Therapies for everyone with physical, developmental and emotional challenges. Youth volunteers and adult chaperones helped in general clean up, organizing, raking dry leaves, clearing rocks in horse training arena and several other activities.

Empower Afghani Women

Our youth and adult volunteers helped empower women in Afghanistan to build their self confidence by teaching basic English grammar and conversational skills. 15+ youth volunteers from 4 different EKAM USA chapters mentored 10+ women virtually.

English Tutoring by Abhijay Potluri

10-year-old youth volunteer Abhijay Potluri has conducted fun and engaging English speaking classes for new students at East Boston School. These students who came from India recently were very shy and struggling at school with spoken English, reading and writing. Abhijay had sessions 3 times a week all through the summer to build confidence and help them become better readers when they get back to school.

Initiatives in India

\$12,328

Total Raised

Ekam Indianapolis Chapter continues to help support the needs related to healthcare, basic amenities, and education in Madurai, and has also participated in various National service projects.

Supported initiatives include:

- Improve sanitation and infrastructure in Kallanthri and Kalimangalam schools. Raised funds for improving toilets in LKB nagar and Mayandipatti schools.
- Helped conduct medical camps in Madurai and across TN – for vision, cardiac and cleft lip/palate. Provided financial assistance to 20 kids and adolescents for prescription glasses.
- Funded a TV and furniture for Gengamuthur primary school and basic needs in an Anganwadi.
- Provide life-saving medical equipment and basic furniture for newborns and mothers in primary health centers across Madurai.

Through Ekam I have learned that some people are homeless and don't even have food. I like to volunteer so I can give back and helping people in need makes me happy. It reminds me that we should be thankful for what we have.

– EYA Shresta

We like to volunteer with Ekam Indy because the needs are real and we can see the direct impact of our work towards the community. In addition, we enjoy working alongside the Ekam Indy family, which is so welcoming and inspiring.
