

Nasal Cannula Project

Category	Health
Subcategory	Medical Kits
Project Name	Nasal cannula project
Date(s) of Service	December, 2023
Location	India, Tamil Nadu.
Beneficiaries	Coimbatore general hospital
Number of beneficiaries	50
Project Lead	Dr. Shobana, Dr. Param
Sponsor(s)	Ekam Boston Ekam NJ Ekam Bay Area
Implementing Partner	Dr.Sasikumar GH in Coimbatore
Description	Government hospitals have reported high cases of flu and pneumonia in children. Due to limitation of available equipment, reusing the cannula among children is causing spread of infection. The doctors of Coimbatore Hospital reached out for support. EKAM USA and Sponsoring chapters donated 50 cannulas for children.
